DEMOCRATIC MEETING.—The democrats of this city were in bad luck last night, as the rain prevented them from having their proposed torchlight procession, and sickness hindered Senator Joe Blackburn from addressing their mass meeting held at the Opera House. The democratic ardor, however, was in no sense dampened, as was attested by the numerous bonfires which were lighted in every section of the city, by the firing of a salute of a hundred rounds from the two cannons which had been planted on Windmill hill, and by the big gathering at the Opera House. About 8 o'clock the Democratic Working Club, headed by the drum corps, marched from their rooms, on King street, to the Opera House which was already crowded, a number of ladies being present. Here, Mr. J. R. Caton called the meeting to order, which was addressed by Messrs. S. G. Bent, H. Sheppard, Frank Hume, J. E. Clements and J. W. Holt. During the evening Mr. Caton read a telegram from Senator Barbour announcing that sickness would prevent Senator Blackburn from being present. The meeting closed with three cheers for McKinney, Tyler, Scott and Hume, proposed by Mr. M. B. Harlow. During his speech Mr. Frank Hume, the delegate elect from this city and county to the legislature, took occasion to thank his constituents for the hearty support given him on Tuesday last.

AN ENTERTAINMENT will be given under the auspices of Christ Church Ten of "King's Daughters," for the benefit of the Infirmary, on Wednesday night, the 13th of November. The subject, "Stories in Many Lands, or Illuminated Land of the World," will be both entertaining and instructive to all who may give this most worthy object the benefit of their attendance. The price of tickets is twenty-five cents for adults, with no extra charge for reserved seats; children's tickets ten cents, but not reserved unless full price is paid. Reserved seats can be secured at Mr. D. son's book store and tickets at the principal stores of the city.

POLICE REPORT.—Last night was mild but rainy with three prisoners and five lodgers at the station house.

The Mayor this morning disposed of the following cases:
John and Jane Value, arrested by officer Davis for disorderly conduct and James Morris for vagrancy, were ordered to leave the city.

Chas. Anderson, colored, charged with stealing a trunk from W. H. Cox, was given 30 days on the chain gang.
A liquor dealer, charged with selling liquor on Sunday, was dismissed, the charge not being substantiated.

THE CITY ANNUAL.—City Auditor E. F. Price has just published the city's 109th annual statement, containing the mayor's message, report of the Superintendent of Schools, the annual reports and public accounts of 1889, revenue and license laws and much other valuable information. The volume is neatly gotten up. It shows the total receipts of the last fiscal year to have been \$100,307, of which some \$93,000 is from taxes and \$6,300 from a loan. The expenditures, \$101,113, covered a partial payment for improvements at the gas works.

ACCIDENT.—The 8:05 local train from Washington last night ran into a freight train which was standing near the south end of the Long bridge and knocked the caboose of the latter train off the track. Slight damage was done to the passenger engine and the accident caused a delay in the arrival of the train here till 9:30 o'clock. No one was hurt.

PERSONAL.—Mr. Fleming J. Lavender, formerly of this city but now of Washington, leaves on Monday for Sioux City, Iowa, which he will make his home in the future.
Master Allen Warfield, son of Mr. and Mrs. A. A. Warfield, last night entertained a number of his friends on the occasion of the celebration of his 13th birthday.

LOCKJAW FEARED.—O to Reinacher, the little son of Mr. Fred Reinacher, the florist, who lives just west of this city, about ten days ago fell and badly cut his head about the temple. The little fellow has been suffering from the wound ever since and it is now feared that lockjaw has set in.

THE WEATHER.—Rain has fallen almost incessantly since yesterday morning, and at times last night and during to-day there was a perfect downpour. In the middle of the day there were several flashes of lightning and rumbling of thunder.

MEDICINAL.

Take Simmons Liver Regulator One Dose WORTH 100 Dollars

DEAR S. L. R.—FRIENDS: I consider one dose of Simmons' Liver Regulator worth \$100. I was constipated, had headache, could eat nothing with satisfaction or appetite; had the blues and felt altogether out of sorts. I resorted to bluish mass, calomel, quinine and all remedies suggested, but only obtained temporary relief. One dose of S. L. R. did me more good than the \$100 worth of doctors and doctoring. Respectfully,
T. C. MARLEY.

I have been a teacher for twenty years, and during that time have had repeated attacks of headache, produced by torpid liver, and I have been entirely cured by the use of Simmons' Liver Regulator. I found it to be of so mild a character in its action as not to interfere, in the least, with my duties in the school room. To those similarly situated and subject to same, I cannot too highly recommend Simmons' Liver Regulator.
